### SPASMALIN

For athletes, sciatic nerve and groin pulls are a common complaint. Spasmalin speeds up the recovery process on a cellular level that is appreciated by athletic trainers.

neuro-muscular-skeletal practitioners and their clients. Spasmalin reduces painful spasms in the muscles and the sinews. In particular, this combination is effective for hands, feet, thigh and calf spasms or cramps. Spasmalin relieves chronic pelvic inflammation, intercostals and trigeminal neuralgia. Spamalin opens up channels, blocked off from energy. Spasmalin clears heat, toxins and sores from all locations of the body. This Master Formula stops spasm pain of the abdomen, muscle contractions (tremors, seizures) and numbness of lower extremities.

Carpel tunnel, tennis elbow, numbness of skin and muscles, painful joints, arthritis complaints in the upper extremities.

## VITAL QI

This formula is good for the weak & debilitated person. Vital Qi is especially helpful for the middle to elderly aged person who needs to

boost their Qi or body energy. Normally, the Qi weakens over one's lifetime. This master formula focuses Qi or energy to the lower portion of the body (below navel-legs). It is an overall tonic to add to other lower body formulas. Also benefits prolapse, fatigue, excessive sweating and hernia.

#### KNEE RELIEF

Knee Relief brings nutrition and blood to the knee where it is absent. By depositing fresh warm blood, the stasis, which is cool to the touch, surrounding the knee is moved on.

This cleansing process lubricates the bone and soft tissue so they may function harmoniously.

#### PERSONALIZED HEALTH

Just as each individual has a different constitution, Longevity Formulas tailors its products to meet the individual's needs. Longevity Formulas has developed many other formulas, which work for unusual sources of pain (toes, heels, etc). Please, ask! We may have an answer or know of someone who does.
